

Dear Dr. Whiteley,

Hello! First I want to thank you for allowing me to take part in your Podcast. I must admit in the beginning I was very nervous, but once hearing the segment ~~in~~, I was very pleased. You made me feel at ease and I feel like I conveyed my story very well. I am hopeful that it touches someone, or even help someone whose experienced some of things that I have. The experience was very freeing and healing for me. The work you do on our behalf is amazing. You help to let us know, we are not forgotten and that we matter. I am very grateful to you and A.S. + I wish you both the best. Thank-you again.

Sincerely,

Beth Ann Markman
